Dear acrobatics friends

Switzerland has been a guarantor for large and well-organised acrobatics events for many years. Many nations and clubs have already experienced the hospitality and special flair of Switzerland and the city of Winterthur.

We at TV Neue Sektion Winterthur want to continue this tradition and present a new highlight in the acrobatics calendar of the world.

We would be delighted to welcome as many friends as possible from the acrobatic gymnastics family from near and far to Winterthur at the 2<sup>nd</sup> NSW Acro Trophy.

All information and the registration form can be found at
